

HAVE YOUR SAY ABOUT THE VALLEY ENTERTAINMENT PRECINCT

If you are what have your say about the future of the three newly legislated Qld State Government "Drink Safe Precincts" particularly the Valley Entertainment Precinct, now is your chance.

There is a two year trail taking place about alcohol management and the Valley Chamber Community Safety Group, Valley Liquor Accord is working together with Qld State Government and Brisbane City Council to ensure a great outcome for the Valley Entertainment Precinct so many thousands of people who come to the area can continue to enjoy the Precinct area.

We urge all who use the area day and particularly at night or would like to see safety, amenity, transport and management of the area improved to complete the online survey at <http://www.qld.gov.au/drinksafe> which closed for submissions midnight 29 April 2011

Tuesday 17 May Qld Health Safer Venue Awards night. The event will be held at CLOUDLAND so if you own a venue or work in the industry book on line now to attend booking details www.valleychamber.com.au. This will be the first of the annual awards nights to also present the Valley Liquor Accord Best Bar Manager and Best Bar Person plus the Valley Chamber Community Safety Management Awards.

VIBRANT LANEWAYS IN THE VALLEY ...WHO WOULD HAVE THOUGHT!

Have you noticed there are over 40 laneways, alleyways and short streets in the Valley area. It certainly came a surprise to the Valley Chamber of Commerce that there were so many Ranwell Lane, Liquorice Lane the new James Lane to the very old Bakery Lane plus dozens more.

The Valley Chamber of Commerce who represents the Valley, Newstead, Teneriffe, New Farm, Bowen Hills and Spring is very excited about the future opportunity this provides in the years ahead. Again the Valley Chamber of Commerce together are working with the invaluable pro bono assistance of the RPS Group of Town Planners who are based in Ann St in the Valley to survey the local property owners, businesses & residents in the area who have an interest in the future of these laneways and alleyways in order to prepare a town planning submission to Brisbane City Council relating to the Valley Neighbourhood town plan.

The Vibrant Laneway Survey responses will form part of the submission and will on line for people to complete (post Easter as so many people away on holidays) from the 1 May to 28 May at <http://www.valleychamber.com.au>

The on line Vibrant Laneway Survey will include seeking responses from ask people to nominate if they own property or a business in any of the public or private laneways their views on the benefits

of the laneway and connectivity within the area, what improvement works they see as desirable in the laneway, what they could do to add to the vibrancy to improve the laneway plus a number of other related question.

END
